

The Suites

Junior Suite

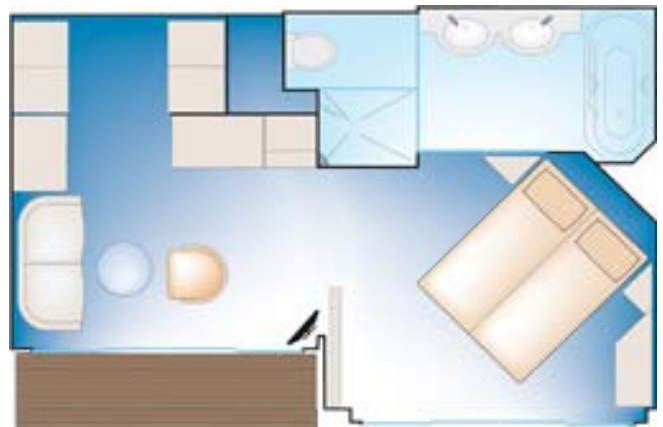

The junior suites offer 194 ft of luxurious comfort for you to feel at home. Two French doors with floor-length glass panes that can open the entire width of the room provide a panoramic view. The entire room features elegant carpet made of highland sheep's wool. All suites have a double bed, two comfortable chairs, a small table, satellite TV, mini bar, telephone, safe and wireless internet connection. Three generous-sized wardrobes with glass doors provide plenty of space for you to store your possessions. The fully glazed marble bathroom has a shower, floor heating, shaving mirror and blowdryer. And every room is equipped with individually adjustable temperature control.

Deluxe Suite

The deluxe suites feature the same amenities as the junior suites, but with 237 ft have even more space. The diagonally positioned beds enable reclining guests to look directly through the panorama doors. The deluxe suites also have a comfortable seating area with a couch, chairs and table as well as a luxurious marble bathroom with a lavish washing area and large shower.

Queen Suite

The queen suites offer the highest standard of travel comfort. In addition to the extra amenities of the deluxe suites, you also enjoy a spacious area of 323 ft with separated living and sleeping spaces. The rooms feature French doors with wonderful views opening directly onto the French balcony and a second balcony, equipped with two chairs and a table. The queen suites feature a bathroom separated by a glass wall with marble bathtub and shower. The luxurious amenities also include three flatscreen televisions.
