

DANUBE RIVER CRUISES

DANUBE DREAMS IN THE CITY AND COUNTRY.

Your cruise starts in the university city of Regensburg. After the first stage of the Danube journey, a special treat awaits the adventure-lovers among us, though the number of participants is limited – soar over the roofs of Passau and look down on the grand peaks of the Berchtesgaden Alps from a helicopter. Your pilot will lead you over the lakes of the Salzkammergut in Austria and you will cast your eyes down on the Steinernes Meer, the Königssee and legendary Watzmann. The next highlight isn't far away. Romantics will fall in love with the beautiful Wachau Valley. For cultural aficionados and horse enthusiasts the visit to the Spanish Riding School in Vienna will be a special treat. Here and only here the classical art of riding in the Renaissance tradition of the "haute école" has been taught for 430 years. Become for a few moments Her Majesty at court – from the imperial balcony you can watch the Lipizzans' morning training session before casting your eyes on the glittering treasures in the Imperial Court and Silver Collection. When you finally climb back on board overcome by all the splendor, our crew will be waiting for you with culinary and musical surprises. The crowning finale will be the ride on the nostalgic steam train to Gödöllő Palace, the Baroque summer residence of Empress Sissi. Enter the glittery world of bygone ages and enjoy a festive dinner in Budapest's famous Gundel restaurant.

These are just some of the numerous excursions you have to choose from on this journey.
