

## CHRISTMAS MEMORIES AND NEW YEARS SPLendor CRUISES

Sometimes special just isn't good enough. How would you like to enjoy an unforgettable holiday season in 2008? Celebrate with your loved-ones in absolute tranquility? Kick off the New Year a little differently? Experience the Premicon Queen at its best. When winter spreads its magic over the cities, castles and countryside on the Middle Rhine, you can enjoy the sites in unique style. Celebrate Christmas Eve in medieval Speyer. Ring in the New Year with a night full of surprises in Cologne. Come along on a winter journey that takes first class to a new level.

During the holiday season the Premicon Queen travels two different routes. We will glide through the winter wonderland of Franconia from Nuremberg to Bamberg and back again. The Christmas market in Nuremberg is an absolute must-see. The second cruise begins in Frankfurt and takes you to Cologne, Koblenz and Rudesheim, showing you the most beautiful sites of the wintry Middle Rhine. Romanticism at its finest ...

Our Christmas journey begins in Frankfurt. You'll spend Christmas Eve in Speyer, where you can attend mass at the cathedral, stroll through the Christmas market and savor the gourmet dishes on board. On the following day you'll visit Strasbourg – Christmas couldn't be more joyous.

The starting point of the New Year's Eve Premicon Queen journey is also Frankfurt. First stop: Mannheim, from where you can easily reach Heidelberg. After visiting Speyer and Düsseldorf we'll head for Cologne, where we'll spend New Year's Eve. While the fireworks over Cologne are reflected on the Rhine, we'll be putting on a celebration for all the senses. On New Year's Day you'll see the Lorelei and pass Rudesheim on the way back to Frankfurt.
