## RIVER CRUISES

River cruise itineraries include voyages through countries like Germany, Austria, Switzerland, Belgium, France, Netherlands, Hungary, Czech Republic, Italy, and more without the usual inconveniences of packing and unpacking. The "Floating Hotels" cruise by beautiful cities, villages, castles and vineyards. On the Rhine, a variety of itineraries depart from Amsterdam, Cologne, Mainz and Basel. On the Danube, voyages depart from Passau and Nuremburg Germany and cruise to the Austrian and Hungarian capitals of Vienna and Budapest. In Italy, we offer round trip cruises out of romantic Venice visiting fascinating cities like Verona, Ferrara, and Parma. On the Rhone, ships sail from Lyon, France to the Burgundy and Beaujolais wine regions and the Mediterranean style cities of Avignon and Arles. We offer a cruise between St. Petersburg and Moscow.

River cruises in comparison to barge cruises are different in that they cruise the rivers of Europe rather than the small canals. The ships are larger and hold from 80 to 200+ passengers and offer cruise lengths from 3 - 21 days.

Though river cruises are not as "all inclusive" as barge cruises, many of the river cruise are including more in their rates.

AMA Waterways is including the sightseeing in the cruises as well as free internet access on the in room tvs and wine with dinner.

Scenic Cruises includes free internet access on the in room tvs, wine with lunch and dinner, an alternative Italian restaurant, sightseeing (with multiple tours available in some ports) and gratuities included in their cruise rates.

AMA, Arosa, Royal Crown and Scenic cruises also feature bicycles on board for the guest's use. AMA, Arosa, Scenic and some of the Croisi ships have elevators on board. You can also find fitness centers, jacuzzi, massage and even swimming pools on some of the cruise lines.

The river cruises do not allow smoking inside the ships. Most of the cruise lines have a designated area on the sun deck that smoking is allowed in.

Most of the river cruise lines in our brochure feature open seating for all meals. AMA, Royal Crown and Scenic have multiple course options as well as additional entree selections. Croisi has one entree only but will provide other dishes for special diets. Though Arosa has a buffet for all meals, their selections are outstanding with a wide array of food options.

[Check our web site for additional cruises not listed in our brochure.](#)

# RIVER CRUISES

River cruises differ from barge cruises in that they are larger vessels, cruise the rivers of Europe rather than the canals, and visit larger towns. There are several river cruise lines featured in this brochure.

# Royal Crown

*Enter the golden age of travel*

Step onboard the Royal Crown and enter the elegant romantic world of Europe in the 1930s. A time of economic depression during which musicians and actors provided a fantasy world of glamour and carefree amusement. The rich and famous travelled through Europe in style, enjoying elaborate meals, decadent company and fine wines. Legendary ships and trains reigned supreme and marked a golden age of travel. The Royal Crown is a celebration of the style of that age. Welcome onboard!

## The Dutch & Belgium Waterways – Holland in Spring time

It's no coincidence that the Low Countries are the true home of landscape painting. As a cruise through the canals and rivers of the Netherlands soon demonstrates, the scenery here has a tranquil magic and sense of space that owes much to the fascinating interplay between sky, land and water. Lovely though the natural surroundings might be, though, the Dutch themselves have added the crucial finishing touches. It's not just the countless windmills or the lovely towns of gabled houses flanking quaint harbors and cobbled squares. Nor the Many fascinating cities like Amsterdam and Rotterdam that remind one with a jolt that the Netherlands is at the cutting edge of modern commerce and culture. Rather, it's those amazing fields of flowers that erupt into an unforgettable symphony of colors during the spring and summer. A true feast for the eyes, for sure, after which an excursion to the historic Belgian city Antwerp is the perfect way to put 'the icing on the cake'.

In addition to being one of Europe's most important rivers, the Rhine is also one of its most beautiful. It originates in southeastern Switzerland and the Upper Rhine flows toward Basel, then into Germany where the Middle Rhine Valley is flanked by pastoral towns, vineyards and dozens of castles and fortresses. River cruise visitors experience all these delights and more as they cruise along the river. Below Bonn, the Lower Rhine flows through France and into the Netherlands, where it divides into delta arms and flows into the North Sea. The river is 820 miles long and connects with important tributaries such as the Neckar, Main and Moselle. It is such an important and historic river for all of Europe that a Rhine river cruise will provide travelers access to many of Europe's treasures.

**Day 1 Arrive in Budapest, Hungary (Embarkation)**  
Flights must arrive before 2 pm. Welcome to Hungary's exciting capital! This afternoon, board your river cruise vessel and meet your crew at a welcome reception.

**Day 2 Bratislava, Slovakia**  
A morning to relax on board and marvel at the beautiful scenery on both banks of the Danube. As you cruise upriver, Hungary is on your left and Slovakia is on your right. The two countries share the Danube for a 58-mile stretch, with the border in the middle of the river. Situated at the foothills of the Carpathian Mountains, Bratislava is the dynamic capital of Slovakia. The charming Old Town with its Town Hall and Mirbach Palace as well as gothic ST. MARTIN'S CATHEDRAL should not be missed.

**Day 3 Dürnstein, Austria–Melk**  
This morning our first stop is Dürnstein, known for the magnificent baroque Stiftskirche with its blue façade, lying right in the heart of the Wachau wine region. Above town are the ruins of the castle where England's King Richard the Lionheart was imprisoned in 1192. Explore this picturesque little town on your own or choose from a number of optional excursions. Melk's magnificent BENEDICTINE ABBEY dominates the town from its commanding hill site, and is one of Europe's largest monasteries. The view from the terrace over the Danube and surrounding countryside is breathtaking!

**Day 4 Linz–Grein**  
Linz, Austria's third-largest town, lies on both banks of the Danube and is an important industrial town and busy river port. Culture is an important part of life in Linz. The composer Anton Bruckner lived here and Mozart's Linzer Symphony was composed in the city. Choose from a variety of optional activities today. In the late afternoon, arrive in the attractive country resort of Grein, which is nestled at the foot of a bluff in the shadow of its castle and tour the highlights with a Local Guide. The turreted houses on the main square make excellent photo material.

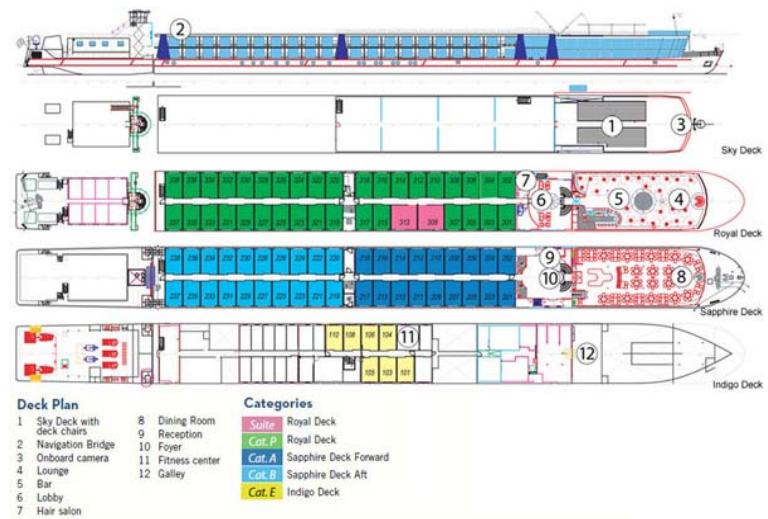

**Day 5 Vienna (Disembarkation)**  
Your vacation ends with breakfast this morning. Departure flights should not leave before Noon.

**Day 2 Melk–Dürnstein**  
Today is dedicated to the beautiful and romantic Wachau Valley, where so much of the excellent Austrian wines are grown and produced. This morning, visit the impressive BENEDICTINE ABBEY of Melk, which towers over the town. Continue to cruise toward Dürnstein, whose baroque blue and white Stiftskirche stands right on the river bank. Explore on your own or choose one of a variety of optional excursions your Cruise Director will propose.
